Cupid's Advice:

Your baby's first birthday is finally here! Such a short time yet it seemed like an eternity and you can not imagine life without them. Even though your child may not be able to completely comprehend this birthday celebration, you should still make efforts to help make your child's first birthday special. Here are some ideas on how to do so:

1. Have guests sign a book: At your baby's first birthday party, provide a book with blank pages for friends and family to write special birthday messages to your child. This serves as a great keepsake your child to be able to read once they grow up. You can even make it a tradition for loved ones to sign the book each year and you can see how their special messages develop!

2. Get a smash cake: A smash cake is a small cake made with frosting specifically for the purpose of babies smashing it! Your child will love to get the opportunity to be a mess and dig through the cake. This will make for adorable pictures as well. Make sure to get another real cake as well for the guests to enjoy.
