In celebrity news, 'Midnight Sun' actors Bella and Patrick talk things that make or break relationships. What are three things that can be considered a relationship deal breaker?

Cupid's Advice:

Many things can break a relationship, here are three we think are on the top of the list:

1. Cheating: Infidelity is a big one. It is a big betrayal, and it is deceitful as well. It ruins trusts, too. However, some couples are able to work through an indiscretion like cheating – but then again, many others can't. Cheating is a big deal breaker that many of us choose to not deal with.

2. Lack of trust: Cheating is not the only thing that can break trust. And sometimes, trust is just not there from the beginning either. In any relationship, it is important to have trust, if there isn't any you're headed for an extremely rocky road. Do yourself a favor, and work on this big issue before it gets worse, because it can definitely be a deal breaker.

3. No common ground: In a romantic relationship, you need to have things in common. No, you do not need to have everything or even most things in common, but you do need a base for the foundation you're building. It's okay to have differences, but after everything, you should have things in common to keep the relationship going. There isn't a choice for "inconsolable differences" on divorce papers for nothing!
