

Bradley Cooper Explains Brief Marriage to Jennifer Esposito

Hangover 2 hottie

Bradley Cooper came clean last week about his four month marriage to Jennifer Esposito during a Howard Stern interview, reports UsMagazine.com. Cooper, who has been linked most recently with Renee Zellweger, tied the knot with Esposito back in Decemmer 2006 and, according to Cooper, the two decided amicably to divorce in March of 2007. Cooper told Stern, "The good thing is, we both realized it...Sometimes you just realize it."

Why does a marriage sometimes not work out the first time?

Cupid's Advice:

Unlike getting a license to drive or taking the SATs to get into college, getting married does not require a well thought out plan of action:

1. You were young: If your first marriage followed a quick engagement and an even quicker courtship, you may have never gotten the chance to think things through rationally.

2. You didn't understand: In today's society with TV shows rushing everyone to the alter and Las Vegas offering one-stop shops for weddings, the actuality and sanctity of marriage can be easily forgotten.

3. You didn't know yourself: Before a relationship with someone else will work, you need to be in a good relationship with yourself.
