## **In celebrity news, this duo misses each other when they aren't together. What are some benefits to missing your partner?**

### **Cupid's Advice:**

Every couple needs space, some more than others. It really all depends on who the people are. Missing someone can actually be a good thing though. Cupid has some benefits to missing your other half:

**1. Distance does make the heart grow fonder:** When you miss someone, you get that warm feeling inside that makes you think about how much you love them. This can stir up some cute and/or sexy texts, phone calls, or video chats. Embrace the distance instead of completely hating it. And when you see each other again, it's on, let the in-person loving resume.

**2. You'll have more to talk about:** Don't get us wrong, when the right people are together, they never run out of things to discuss. However, when you're away from the other person, you obviously have more to tell. This is a good opportunity to also work on your story-telling skills!

**3. You both get to do your own thing:** Whether you're out learning something new, doing anything productive, or just having fun – do you. Everyone can use time with their friends and family, and time for themselves. You can also come back and bring something new to the table after you both go out and do things because technically you guys are “covering more ground.”
