# In this celebrity baby news, Miranda Kerr is expanding her family. What are some factors to consider before adding another child to your family?

## Cupid's Advice:

We all know that having a baby is a huge responsibility – imagine more than one! Therefore, there are many factors to consider. Here are a few:

**1. Are you financially stable enough?:** Having a baby costs tens of thousands of dollars because there is so much they need. You probably considered all this with your other child or children, but by adding another member to your family, you are obviously increasing your expenses. Make a financial assessment of your income, expenses, assets, etc. Be sure to be as precise as possible and not over or underestimate.

**2. Do you have enough time?:** The more children you have, the more time you need. They all require time, and sometimes some children will need more time from you than others. Are you and your partner able to afford giving so much time to your kids? If so, great, let the baby making begin. If not, reconsider, maybe it's best to hold off for a bit.

**3. Are you both ready?:** You and your partner need to make sure you're on the same page. Only because you are ready for another baby doesn't mean they are, and vice versa. Sit down

and have a talk. Having another baby is a big deal, so consider it all.
