

Product Review: Block Out The Haters This Summer In Vint & York Sunglasses

By Bre Gajewski

Summertime is here, and you need the perfect summer shades! [Vint & York](#) makes ultra-fashionable eye-wear that's built to last, so you can take your sunglasses from the streets to the beach.

Product Review: Sunglasses that

Will Block Out the Haters and the UV Rays

If you are tired of the same basic brands and shapes that everyone wears, you definitely need to check out this [product review](#) of Vint & York. All of their eyewear is inspired and named by vintage slang and takes inspiration from NY buildings and neighborhoods. In the collection, you will find lots of:

- (extreme) cat-eyes
- metallic and filigree frames
- clear frames
- pastel tinted lens frames

[THE FAIRBANKS – \\$129](#)

These designer sunnies are extremely high quality and come with affordable price tags. They arrive to you in beautiful packaging with a sturdy sunglass case to keep them in.

[DOLL TOO – \\$129](#)

Wear these sunglasses for a [daytime date](#) with your boo, on a luxury [vacation](#), or when you are channeling your inner [celebrity](#) to block out the haters.

[BLUENOSE – \\$129](#)

Vint & York has a flagship store in NYC where customers can try on every shape and color that they have to offer. They offer several types of sunglasses and optical glasses for both men and women, including:

- Reading
