

Singles Event: Interactive Chocolate Creations and Tasting

Here's a 'sweet' way to meet your next sweetie: while making chocolate! Coretta Sneed, an independent chocolatier for Dove Chocolate Discoveries, will host a session through Meet Market Adventures where you'll learn how to make your own Dove Chocolate creations. You'll hear all about the history of making chocolate while being soothed by its sweet aroma. All ages are welcome! But be advised; don't wear anything you wouldn't want to get chocolate on!
