What are signs that you should move on from a relationship?

Cupid's Advice:

No relationship is limitless. Cupid has some signals that

things have reached their breaking points:

1. No more sparks: If you can't remember why you initially became attracted to your lover, then chances are it's time to end things.

2. Feelings for someone else: An old rule of dating goes, "If you have time to cheat, you have time to break up." There's no reason to cheat when all it takes is a talk with your partner, explaining to them that you have feelings for someone else.

3. 'Happiness is a warm gun': Although not every minute of dating is fun, if you and your significant other are not generally happy, then it may be time to take a break or say goodbye for good.
