Should you be concerned about your partner's ex?

Cupid's Advice:

Your partner is with you for a reason. Always remember, you were chosen over everyone else:

1. Underlying issues: If you're self-conscious about your love life for some reason or you began to date your partner while he was still connected to an ex, this can cause issues. Sometimes you should just ignore the past and focus on the present.

2. Over the line: Does your partner's ex continuously step over the line? If the ex in question continues to make themselves known in an unwanted situation, speak up and tell him or her how you feel.

3. You're naive: If your partner's ex is still around because your partner is keeping them around, perhaps you should look into this. Is your partner being 100% honest with you about letting his ex down slowly and carefully? A breakup takes one conversation, not three weeks.
