“We’re here to help a woman tell a story that’s hers alone through her jewelry,” said Kristin Coaker, Head of Merchandising and Brand Communications for Chamilia. “Stud earrings are an area of expansion right now due to increased demand in the category. We are seeing constellation piercings, in particular, as a growing trend. Chamilia stud earrings are collectible, affordable, and last a lifetime. The classic motifs in this collection are truly timeless, as are the materials the earrings are crafted in.”

In addition to this new line of earring studs, Chamilia sells hundred of other jaw-dropping designs. We personally love the
