Cupid's Advice:

Moving on after a break up is always hard. Some take it better than others, so it is important to consider your ex partner's feelings. Cupid has some advice on how to handle jealousy from an ex:

1. Stay away: The easiest and safest way to handle a jealous ex is to stay away! While you don't have to hide like you're in the Witness Protection Program, keeping your distance may be best. Everyone is different, so you can't know for sure how your ex feels. Running when you see them is a bit too much but if you deliberately go looking to see your ex, just be prepared for anything that may happen. If you are seeing someone else, please heed this warning. You know what they say... "If you knock on the Devil's door, he will answer." Be smart and be safe.

2. Respect the break up: For whatever reason, your relationship unfortunately ended. For you and your partner, it is important to respect your break up. Showing respect towards your ex could ease the tension and may help your partner to move on. Parading a new flame around too soon may egg your ex on and cause a huge, unnecessary commotion. Keep the peace and have respect.

3. Stay quiet: If your ex is acting out, sometimes the best response is no response. Not every action deserves a reaction. Whether your ex is genuinely upset or purposely trying to hurt you, keep calm and continue on. Eventually, your ex will get tired of not being answered and will hopefully work on healing themselves. Silence is the loudest answer you can give.
