## **Cupid's Advice:**

Supporting your partner through a rough time or even just a bad day is key to any relationship. Not only does it show that you care, but it also makes your partner feel safe knowing they have you in their corner. Cupid has some advice on ways to console your partner when he/she is upset:

**1. Laughter:** Sometimes we need a good laugh to make ourselves feel better. Cheer up your partner by making them laugh. Watching a funny movie or watching funny videos on YouTube can help your partner feel better. Although, Michael Scott from *The Office* felt that laughter cured everything, sometime a dose of it can subside the pain for now.

**2. Physically be there:** Physical contact with your partner will not only cheer them up, but make them feel safe. Whether you are holding each other or simply giving your partner a hug, that secure feeling will give them the strength to get through. We all have one of those days where we could use a hug.

**3. Take the time:** Taking some time off with your partner could help you and your partner to get through this tough time.

Putting your phones down and giving your partner your undivided attention will allow your partner to vent and get everything out. Show your partner that you are ready to listen and help tackle whatever is causing them pain.
