1. It's easy: A big reason why going on a family cruise vacation is such a good idea is that it's super easy to plan and do. You pay for everything in one price and don't have to worry about any trip planning or separate bills. Food, drinks, accommodations, entertainment and more are all covered under the same price. You also are getting a good value for your money, especially since many cruises have group discounts when you have more people on your trip.

2. Fun for everyone: Cruises are a great family vacation option because there is something for people of all ages to do on them. Almost all cruise ships have kids' facilities that are split by age so all your children can have fun on their own, meet other kids and feel independent.
