Fox in a Box Baked Powder, \$7 each

Some of our other favorite products from Hard Candy are the Fox in a Box Baked Powders. It comes in three different types of powder: bronzer, blush and highlighter. Each one comes in a cute box with an applicator brush and smells amazing!

The [Marbelized Baked Powder Bronzer](#) has several bronzing shades all baked into one little powder which will complement a variety of skin tones and add the definition you want for a

snatched contoured look. Pro tip: Make a '3' on the side of your face from your temple into your cheek and back under your chin. Blend it all in and say hello to cheekbones that pop.

The [Marbelized Baked Powder Blush](#) comes in two different shades. Girl Next Door is more of a pink/rosy color with flakes of gold baked in. Uptown Girl has a peachy tint and is more neutral but still has a beautiful golden shine. Pro tip: Smile in the mirror and apply these blushes to the apples of your cheeks for a perfectly flushed look.

The [Marbelized Baked Highlighter](#) also comes in two different shades. Girl Boss is a frosty white color and Glamour Girl is a yellow gold. Both of these highlighters are perfectly shimmery and will make you stand out! Pro tip: Apply these highlighters to the highest points of your face like the top of your cheekbones and the tip of your nose to catch the light and make your face glow.
