Cupid’s Advice:

Suspecting your partner of cheating is one of the worst feelings. Cupid has tips on how to approach your partner if you suspect infidelity:

1. Just talk to them: Of course it’s easier said than done, but it’s likely the fastest way of finding out. Be assertive and honest; tell them about your thoughts and how you feel. Stand your ground even if it hurts.

2. Innocent until proven guilty: Stay calm, and remain in the

present. You have to be patient so that you can observe. You have to play detective. The only way to do that is via rational observation. It may take some time for the truth to reveal itself, but the truth almost always comes to light.

3. Examine yourself: Your intuition may be right! Or, you could be reading too much into it. So, take a long hard look at yourself, and be honest. Do you get jealous easily? Are you insecure about your partner's feelings or your relationship? Answer yourself truthfully.
