These celebrity exes' relationship may not be over after all. What are some ways to save your relationship?

Cupid's Advice:

Are there ways to save a relationship? Cupid shares some tips:

1. Go over all of the positive aspects: Why is this relationship still important to you? Talk through all of the good things you have experienced together and decide if these aspects are worth staying in it for the long term.

2. Go to counseling: Getting advice from a non-biased third party can greatly help the relationship. It will be helpful to the couple if they have someone who can mediate the conversation. It is okay to go to counseling, and it can be hard to fix the relationship by yourself.

3. Accept the things you can't change: There will always be things about your partner that frustrate you, but is it worth it to keep bringing up the same arguments? You have to learn that the way your partner feels about something is just different, not wrong. Move past these differences and find what you truly enjoy about the relationship.
