Cupid’s Advice:

How can you heal after you’ve been heartbroken? Cupid shares some advice:

1. Let all of your feelings out: After being heartbroken, it is expected that your emotions will be all over the place. It isn’t going to help you heal if you keep everything inside, and let it build up. Allow yourself to feel whatever you’re feeling in the moment instead.

2. Find happiness in the little things: There might be a quote you find in a book, a part in a movie, or something you see in your daily life that makes you happy. Enjoy those small moments of happiness instead of dwelling on the heartbreak.

3. Don't be hard on yourself: Your emotions are valid no matter what they are. Heartbreak is tough, and it can be hard to get back your "normal" self, but you'll get there eventually.
