This celebrity wedding must not have taken long to plan! What are some benefits of a quick engagement??

Cupid's Advice:

Long engagements are the norm when it comes to getting married, but short engagements are the new trend. Cupid has some benefits of a quick engagement:

1. You get married sooner: By having a short engagement you get to marry the person you love faster. If you truly love your partner, what's the point of delaying something truly beautiful?

2. Less time to quibble over decision making: With a short engagement, you are limited, which isn't necessarily a bad thing. What that means is that your options are limited on venders, dates etc. When you have less options, it makes it easier to make a decision. It also means less time to battle over every pro and con on your wedding.

3. Back to real life faster: Adjusting to real life may be smoother with a short engagement. Having a long engagement forces you to stay in the same position with your partner for another year instead of taking the next step.
