In [celebrity news](#), The Weeknd was standing and cheering front row at the taping of the Victoria's Secret fashion show where his girlfriend Bella Hadid walked for the third time. The singer had previously performed at the fashion show back in 2016. Hadid had walked during this show, but the [celebrity couple](#) was split up at the time. According to *E! Online*, the model told her fans before the show how happy she was to be part of it, sharing, "i'm so grateful to be a part of the show again, feeling happier and healthier than ever." The Weeknd and Hadid are going strong, and continue to support each other.

In celebrity couple news, The Weeknd is supporting his girlfriend's career by showing up. What are some ways to support your partner's career?

Cupid's Advice:

How can you support your partner's career? Cupid has some ideas:

1. Show up to their milestones or big events: Being present is a big move when supporting your partner. There could be something big happening in your partner's career and it will help strengthen your relationship if you are cheering each other on.

3. Talk about your careers together: You shouldn't hide anything from your partner. If your career is stressful one day, tell your partner. If it's going well, share the good news. Your partner will be there for the ups and downs going on in the job, and it'll make communication stronger between the two of you.
