

Product Review: Your Date Night Secret Weapon

By [Ivana Jarmon](#)

Dating is never easy, especially when life gets in the way. Between work, family and social commitments, there's hardly any time to squeeze in time for you and your significant other. So, what do you do? You plan a special date night just for you and him or her, of course! Cupid has some dating advice on what date night essentials you may need for your special night in this [product review](#).

Product Review: Check out some must-have products for date night!

[Isabelle Grace Jewelry Madreperla Drop earrings](#), \$52

Isabella Grace Jewelry features one-of-a-kind pieces designed to be a keepsake. The Madreperla Drop earrings are a chocolate brown pearl highlighted with a two-toned crystal and draped on your choice of gold- or silver-plated lever-back ear wires. These earrings are the perfect bling to pull off the rest of your look on date night.

[Dermelect "Revitalite Professional Eyelid and Dark Circle Corrector, \\$59](#)

The daily grind can be very tiring and may bring puffy and dark circles underneath your eyes from lack of sleep. But, when it comes to date night, panda eyes is the last thing you want. Dermelect attacks these issues by reducing dark circles under the eye and focuses on soothing and concealing elements. Dermelect is made to give you a youthful well-rested look for every date night. The cream works instantly with soothing ingredients that work to reduce the dry skin around your eyes, while it evens and tightens your skin. The eye cream features hydration and tightening agents to address droopy, puffy and

dark eyelids.

Bra Bridge, \$20

Support and confidence are two things you need on a date night, and both are provided by the Bra Bridge. This accessory helps your bra do its job, which includes keeping away sagging and side boob while minimizing bouncing. Each set comes with white, black and beige. With one clipped to the front your bra, it magically transforms your look.

Bra Bridge.

Moroccan Magic, starting at \$12

Date night means having kissable lips, and what better way than to use Moroccan Magic? One of 2018's top lip balms and named the "Best New Drugstore Lip Balm," Moroccan Magic is made with 100% pure argan oil. Argan oil is known for its anti-aging and condition properties, the result of which is that your lips look plump and moisturized. This lip balm is packed with omega 6 fatty acids, antioxidants and linoleic acid. The Moroccan Magic line of lip balms is available in Rose, Coconut Almond, Peppermint Eucalyptus and Lemon Thyme.
