

Product Review: Travel Essentials

By Bre Gajewski

The winter is one of the busiest times of the year for travel. Whether you are driving across the country to visit your family or jetting off for a little warm getaway, you will definitely benefit from these products!

Product Review: These products are great for winter travel!

[JumpSmart from Limitless Innovations](#), \$120

JumpSmart from Limitless Innovations

What could be worse than breaking down in the middle of nowhere on a long, holiday road trip? Breaking down and not being able to jump start your car! This is why you need the JumpSmart from Limitless Innovations.

This device can jump-start 4 and 6 cylinder engines up to four liters. It even has a flashlight function in case you break down in the car. Non only does it act as a power source for your car, you can also use it to charge any of your devices with a USB port, which will definitely come in handy on those long car rides.

[Skinnies Sungel SPF 30](#), \$33

Skinnies Sungel SPF 30

If you are escaping to warmer weather, or even if you are just going to be spending a lot of time outside, you definitely need sunscreen. If you are from a colder climate and haven't been outside much the past few months, your skin is not at all prepared for UV Rays. You need a strong and reliable SPF to protect you.

We love the Skinnies Sungel in SPF 30. This sun gel is totally revolutionary. It is not made with water like a typical sunscreen so it is better for the Earth and you only need a small amount to last you all day long!

[Pure Biology's Total Eye – Complete Anti-Aging Eye Cream](#), \$18

Pure Biology's Total Eye Complete Anti-Aging Eye Cream

Traveling is exhausting and can wreak havoc on your skin. No matter what form of transportation you are using, you are trapped in a confined space with lots of people and recycled oxygen, talk about an aging experience! On top of that, how often do you get somewhere and actually have time to take a nap, rest and rejuvenate before doing anything? Never? So then you end up looking even more tired!

This is why you need Pure Biology's Complete Anti-Aging Eye Cream. This product provides both immediate and long-lasting benefits. "Fision Instant immediately begins to improve the appearance of the under eye area while Baobab Tien promotes long-term benefits and encourages healthier-looking under eye skin." You can purchase this on Amazon Prime for just under \$18 and have it on your doorstep before Christmas!

[EarPlanes](#), Adult & Child, \$9 each

EarPlanes

EarPlanes are the product you didn't realize you were missing out on until you try them! One of the most frustrating thing about plane rides is that horrible ear discomfort you get from the altitude change and cabin pressure. This product takes all of that irritating pain away and prevents your ears from popping! They even help to reduce loud noises too (I'm looking at you screaming baby).
