Cupid's Advice:

How can you decide how many children to have? Cupid has some thoughts:

1. Make sure you're prepared: Having children comes with a lot of responsibilities. You and your partner need to have money, space, time, and other resources to have one or more babies. Don't rush into having more kids if you and your partner aren't ready for that extra commitment.

2. Take into consideration each other's feelings: The two of you should be on the same page before having more children. You both are allowed to change your mind and say you want more or less children than originally planned, but keep in mind what your partner wants as well.

3. You want to extend your current family: If you have had one kid, maybe you want more children so the first won't be lonely. You or your partner may have also come from a family with lots of siblings and want to give that same aspect to your own kids.
