Cupid's Advice:

How can you change up your honeymoon? Cupid has some ideas:

1. Go on a volunteer trip: You and your partner could get closer to each other by giving back to a community. It'll make both of you feel great to know you are working and helping other people, especially when you do it together. The volunteer work you do will definitely be a strong memory in the relationship.

2. Find a backpacking trail: Most people opt for the "lazy" vacation of laying on the beach or going sight seeing. You and your partner can still sight see, but try it in a less pampered sense. Camp and stay outside, find places you wouldn't normally see, and get away from the crowded vacation spots.

3. Plan a game out of the trip: You and your partner could make a healthy competition out of your honeymoon. Choose your destination and make a list of tasks or items you have to get. Keep track of your findings and create a prize for you or your partner when one of you wins. This can make the honeymoon more exciting and help you get to know each other as a married couple.
