**How do you start new after you cheat on someone?**

**Cupid's Advice:**

Nobody can answer for you or explain why you cheated, but making sure that you don't repeat the past is imperative to your future. Cupid has some tips on how to start fresh:

**1. Take some time:** Take time off from dates and pick-ups. The down time will give you the opportunity to reflect on your recent relationships.

**2. Figure it out:** What was the reason that you cheated? Were you unhappy? Did you do it just because you could? Knowing the motive behind your actions is the first step to correcting any future decisions.

**3. Be honest:** In your next relationship, be open and forthcoming. Before things get too serious, have a heart-to-heart and explain your past, what you did and why. Being upfront from the beginning will show your new partner that you've turned over a new leaf.
