Cupid's Advice:

Being in a new relationship is a fun and exciting time, although you might not want it announced on *The Today Show*. Here are a few ways you can announce your new status to family and friends:

1. Through a phone call: Texting can be easy, but we so rarely think to make an announcement by calling our family or friends. Make a few phone calls to the people you care about most to let them know you're dating someone!

3. On social media: Becoming "Facebook" or "Instagram" Official is one of the most popular ways to announce you are now dating someone. Take a cute photo together, and let everyone know you're taken! But, wait a while to announce it — some studies show that couples who wait at least three months to announce their relationship online have a better chance of staying together.
