2. Backpacks: Backpacks were another '90s accessory that a lot of women chose to carry instead of a purse—and not the big bulky kind you might have carried in middle school. Big designers like Chanel and Burberry are starting to design them, so this isn't just a fad that will fade. Find a leather backpack with fringe, and you're set!

3. Long and sleek hair: '70s style long from the days of Cher, Maureen McCormick, and Peggy Lipton has been coming back into style. So, grab a flat iron and extensions. It's also a great time to think about growing out your hair!

4. Plaid: Embrace your inner '90s self and drag out the old plaid clothes, because plaid is coming back this year. Both men and women can wear this style. And, not all of the colors will be boring; some plaid is coming out in neon colors, adding extra fun to the pattern.

5. Tie-dye: Hippies of the world rejoice – tie-dye is coming back in style this spring. These fun psychedelic patterns are on a lot of runways right now, bringing about a feeling of nostalgia.
