You and your partner can even have a contest to see who can come up with the best recipe. For added fun, create categories like "most original", "best tasting", or "most disgusting." Then, the date will be more about the time you're spending together and less about the actual smoothies (not that we're against that). If you're turning the smoothie-making into a day-long event, you'll want to remember to make small portions each time so that you can both try them all!
