

Singles Event: 50 First Dates

Wonder what it's look to go on 50 dates within three hours? New York Easy Dates is making that happen on Saturday night from 6 to 9 p.m. at M1-5 Bar and Lounge. Each date is about two and a half minutes in length. Concerned about the short time span? Put it this way – we can decide if we feel a connection after 10 seconds, so you should be able to figure out if you want to see someone again after three minutes – especially if you're meeting 50 people! If you're sick of the bar scene and having a tough time finding a nice person at the coffee shop, give speed dating a try. Priding itself on high customer service, New York Easy Dates believes they are the best speed dating company in the Big Apple.
