Cupid's Advice:

We all let insecurities about our relationships get in the way sometimes. Cupid has some tips for how to reassure your partner that you're being faithful:

- 1. Be honest:** Aside from trying to surprise them for the holidays or on their birthday, being one-hundred percent honest with your partner will help you both build a stronger

relationship together. If you never give them a reason to think you're cheating by not telling the truth, then the trust will be there without the fear of you being unfaithful.

2. Show them, don't tell them: Showing your partner that you're faithful by never doing anything to make them think you're cheating will go farther than just telling them that you're being faithful. If they're ever suspicious, doing something as simple as showing them your private messages on your chosen social media platform may abate any fears.
