**Does age matter when it comes to marriage?**

**Cupid’s Advice:**

Cupid tends to think that age in itself doesn’t matter, but there are some things to consider before entering into a

relationship with someone significantly older or younger than yourself:

**1. Different generations:** If you and your partner were born in different generations, you grew up with different commonly held beliefs. Make sure you're on the same wavelength morally before you get too serious.

**2. Think longterm:** Think about whether you want to have kids and what your age difference means in that situation. Will your spouse have enough energy to put into raising a child?

**3. Energy levels:** Someone younger might have a lot more energy for activities and outings than someone older. If your partner is much older than you, are you willing to deal with those limitations?
