Cupid's Advice:

It's important to show you have pride in your partner. Cupid has some tips:

1. Use a public platform: Like Colton Underwood, you can use a public platform to declare how proud you are of your partner. This shows them that you want the world to know what they've done. If your partner isn't shy, then go ahead and post about them online! The sappier, the better.

2. Just say it: You don't have to have a special dinner or a post on social media to let your partner know you're proud of them. Just tell them. Let your love know that you are so proud of what they do. Give details to show you're really paying attention. Tell them why.
