## How can you carve out more time with your significant other?

### Cupid's Advice:

Between work and kids, quality time with your partner is pretty hard to come by. Here are some tips on how to create more time with your significant other:

**1. Date night:** Set aside one night a week that you two have committed to each other. For that one night, every other responsibility must fall to the waist side, no matter what.

**2. Breakfast:** No matter what time each of you has work, make a set time to have breakfast with one another. It's the only meal that is guaranteed.

**3. Take a trip:** As hard as it may be to take time off from work, whether its two days or five, make sure that at least once a year you are able to get away together as a couple.
