In the latest [celebrity news](#), [celebrity couple](#) Halsey and Yungblud shut down news of a possible [celebrity baby](#). Speculation about a possible pregnancy started circulating with fans after she posted a photo on her Instagram stories of herself in a baggy shirt while grocery shopping with Yungblud in Los Angeles, according to *UsMagazine.com*. Afterward, Halsey responded with several misspelled versions of the “pregnant,” followed by a photo of the word “no” to shut down the rumors. And, this isn’t the first time rumors have flown about a possible pregnancy: Halsey has expressed interest in having children before. But for right now, her only baby is her next

album.

In celebrity news, Halsey insists that fan speculation about a potential celebrity baby-to-be is just wrong. What are some ways to conceal your pregnancy until you're ready to announce it?

Cupid's Advice:

You only have a few months until your pregnancy will become obvious, but you can still bask in the glow of pregnancy without letting anyone else know until you're ready:

1. Accessorize: A light scarf will help you hide your baby bump! A scarf, shawl, or vest will go a long way in hiding the bump so you can keep your happy news to yourself longer.

2. Avoid touching your belly in public: Pregnant moms constantly want to touch their belly. Reigning in the need to rub your belly and talk to the baby in public will help you keep it secret just a little longer.
