Cupid's Advice:

Tessa has to decide whether to stay in the path she knows or veer off and open herself up to new experiences. We have some advice on what you should do when you're faced with two different life decisions:

1. Take time to think: Don't rush into any choices. Weigh out the options of each decision and go through why making that decision could either help or hurt you in the end.

2. Talk to people: It is hard to make a choice all by yourself. While the end result is only affecting you, it can be beneficial to get an outside opinion on what you're thinking.

3. Stay calm: Don't get stuck in your own head. Everything is supposed to happen for a reason, and the outcome of your decision will reflect that. Do whatever feels best at the time and let the rest play itself out.
