Beauty Trend: How to make your hair “bling” with the help of crystals, chains, and studs!

Whether it's for a fashion show or a special occasion like prom or your wedding, your hair can make an already beautiful outfit take off to greater heights. Using crystals, chains, and studs can take a simple ponytail from drab to fab in minutes. Add some crystals for a high-end fashionable look, or chains and studs to make things a little edgier. Either way, people will notice, and you will be at the forefront of beauty trends at your prom or office work party.

1. Crystals: When you want to sparkle, crystals are the best way to liven up your up-do. Add a few to the front of your hairstyle for a little shine, or layer them all throughout an intricate up-do for a high-fashion glam style that will be sure to turn a few heads.

2. Chains: Want something simple, but edgy? Add chains to a sleek ponytail. You can clip them in, and wrap them around the elastic band, letting them flow down into your ponytail. From the front, you will look like you're simply sporting a stylish sleek ponytail, and then you will wow onlookers when they catch your edgy look in the back.
