Cupid's Advice:

Anniversaries are a wonderful reason to celebrate! Each anniversary is a milestone that allows you to reflect on the wonderful things that have occurred in the past year. As wonderful as they are to celebrate, you don't always need a big gesture! Here are a few of Cupid's ideas to commemorate your anniversary without blowing your budget:

1. Plan a trip: Take a trip, whether it be a weekend or only a day, to a place that means a lot to both of you! It could be where you got engaged, where you had your first date, where you got married, or simply a place you both have wanted to visit! Going through new experiences, or reliving fond memories with your partner are wonderful times that you will remember for years to come.

2. Give them something homemade: Homemade or handmade gifts are truly something your partner will treasure, because they know it came right from your heart! You can make them a playlist, a video, or even make them their favorite meal at home! Even the smallest gestures will go a long way, and show just how much you care.

3. Relive your first date: If you can recreate your first date with your significant other, this will be a sentimental gesture that will bring you both back to the start of your relationship, and showcase how your relationship has grown and matured since then. Recreate the same meal, whether it be at home or going to the same restaurant, and then doing any activities after. It will truly be so meaningful to your significant other!
