2. You miss less while you're away: By only taking a trip for a couple of days, you are guaranteed to miss less from any work or responsibilities you might have than if you went on a trip that lasted a week or longer. If you're dedicated to your work but know you need a break, a micro-cation is the perfect way to give yourself that break and get back to work in record time.

3. Saves money: You might be worried about affording a vacation within the means of your budget. A micro-cation is the perfect way to give yourself your dream vacation in small doses. 4. Take a load off from responsibility: Asking your workplace to take off for only two days instead of a week is more

appealing to your employers. They know you are needed at your job but can understand that you need a PTO every now and then. You'll be able to get that much-needed vacation and get back to your regular day to day life after you're refreshed in no time.
