Hot sauce sales have spiked over the past five years as more people learn to love the way the added spice makes their food taste. There are a number of meals that can be enhanced with some added spice from salad to chicken, and almost anything in between. Cupid has some food tips for some meals that can benefit from a little bit of hot sauce:

**1. Salad dressing:** Is your salad beginning to grow stale with the same old salad dressings time and again? Want to add some extra flavor to that same old salad. Put a dash of hot sauce in your favorite dressing, and it will add that extra kick of seasoning you've been looking for.
