Cupid's Advice:

Sometimes what seems like the best of marriages run into issues that create cracks in the relationship and cannot be repaired. This celebrity couple made the decision to separate while they were still able to be friends. Cupid has some tips to help you decide if the cracks in your marriage are beyond fixing:

1. You live life like you're single: If you're married and either you or your partner are essentially living separate lives, it may be a sign that your marriage is beyond fixing. As partners, you should be putting each other first, and enjoying spending time together. If you are both spending most of your time apart, and making decisions without considering your spouse first, it's a good chance your marriage may be nearing the end.

2. Thinking of your spouse with someone else doesn't hurt: Your spouse should be your priority; someone you want to spend time with and who you want to prioritize the love between the two of you. If you think they may be spending time with someone else and that doesn't bother you or make you sad, then your marriage is hurt and this may be a sign it is cracked beyond repair.

3. You stop having sex: Sex isn't everything, but when you're married, it is something. It isn't necessary that you have sex several times a day or even weekly, but if months go by and neither of you is interested in having sex, this is a bad sign. It is a definite sign that your marriage is not looking so great.
