### **Cupid's Advice:**

Romantic getaway you say? It sounds appealing to two lovebirds, and it's beneficial as well. Here are the pros to vacationing with your partner:

**1. Reconnect:** Whether the two of you are vacationing alone or with family, this is a chance to reconnect without the added pressure of everyday life. Traveling alone will allow you to just focus on each other, and traveling with kids will put your family in the forefront of your mind.

**2. Security:** Another positive aspect to traveling with your significant other is the security that they provide. Exploring a new area by yourself can seem overwhelming and vaguely dangerous. Having your S.O. by your side like a warm security blanket will remind you of the comforts of home while you're out living it up.
