Cupid's Advice:

Maintaining your privacy goes a long way for a happy relationship. Here is relationship advice for hiding away from peeping eyes:

1. Keep it off social media: There's plenty of reasons to keep your relationship away from social media and not all of them are as pessimistic as 'what if it doesn't work out'? The issue with posting about your love is that it opens the gate for questions and rumors about your situation. This doesn't mean you and your boo can never post. If you go somewhere special, show it off! But don't bombard your followers' feed with the deets on your intimacy.
