How do you deal with being jealous of an ex-partner?

Cupid's Advice:

There's not much more in life that stings worse more than when you catch a glimpse of an ex happy with his new partner. In order to keep your cool, remember that everything happens for a reason.

1. It wasn't meant to be: When you become jealous over an ex, think back to all the reasons why you shouldn't be jealous. What flaws of his do you no longer have to put up with?

2. Turn jealousy into pity: Seeing your ex move on with another partner is never the easiest to swallow. Think of it as you being stronger and not needing a constant partner. You're better than that!

3. Move forward: If you find yourself being jealous of an ex, snap out of it! The sooner you find yourself being jealous the sooner you can make conscious efforts to refocus your energy to something more useful.
