

# Celebrity News: Hannah Brown's 'Bachelorette' Runner-Up Goes On Date with Gigi Hadid Days After Spending Night with Hannah

By Ashley Johnson

In each and every season of *The Bachelorette*, former bachelors and bachelorettes alike (along with a few athletes) inevitably make their highly anticipated return to the show to drop some relationship truth. Whether it's Ben Higgins having a one-on-one with Colton Underwood or Hannah Brown sitting court-side with Jaylen Brown, the singles are coached on "finding the

one” and what to look for in a significant other. However, this is no simple task and may include a lot of casual dating before getting serious with anybody and making that commitment. According to *UsMagazine.com*, on Sunday, August 4, in [celebrity news](#), Tyler Cameron and Gigi Hadid were spotted together on what appeared to be their first [date night](#) ever in NYC, just two days after *The Bachelorette* runner-up was seen leaving Hannah Brown’s apartment in L.A.

#### **Cupid’s Advice:**

While Tyler seems to have been getting cozy with more than one woman (Gigi Hadid being one of them) and seems to be living a true *bachelor* life outside of reality TV, Cupid has some dating advice on how to date around like the model himself and other single celebrities:

**1. Be transparent:** Being transparent means being truthful and being clear about your intentions. Sometimes being honest with people can be difficult, but you are not going to get what you want out of any relationship by hiding your true feelings. Relationships only work when the people involved are on the same page and have both of their wants and needs met.

**2. Have patience:** As we know from many years of *The Bachelor* and *Bachelorette*, you do not just fall in love on the first

date (or maybe you do), and dating is a process. It is highly unlikely you are going to commit to one person after just one date, and you may find yourself going on numerous dates with numerous people until you find what you are looking for, and that is okay. You just have to be patient!

**3. Take the time to discover yourself:** Use the opportunity of getting to know various new people to also get to know more about yourself. By intimately being exposed to all different personalities and behaviors, you are going to find some that you absolutely love, and others that you absolutely cannot stand. Dating different people only reaffirms your own wants and needs, and helps you figure out what you want more of (or less of) in life.
