We are wishing the celebrity couple well in their reunion, however not all relationships deserve a second chance, and there are factors to be considered before jumping right back in with your ex. Cupid has some [love advice](#) on how to know whether to give your ex a second chance like the *Real Housewives of Atlanta* stars:

1. Your brain and your heart match up: Feelings can be overwhelming and a lot of the time you may get lost in them. The heart wants what it wants, but the brain has a different agenda. While the care may still be there for your ex and old feelings may even resurface, following your heart can come with its consequences. If your heart is invested, but your brain is showing you all the red flags, then you should be very cautious before giving your ex that second chance.

2. You both have grown: If you both have grown, that means that you both are different people than when you first met, and that also means you both are able to move on from the past. Sometimes you may hold grudges against your ex for certain relationship problems in the past, but if you and your ex are genuinely able and willing to forgive each other, then you can begin anew with each other.

3. You see your ex in your future: You always want to move forward, not backward. Just because your ex may have been a good portion of your past, does not always mean that they should be a part of your future. However, if you are both on the same page this time around and have the same wants and needs in a relationship, then you can consider keeping them in your life for a better future together.
