Boots come in all shapes and sizes,

but in this fashion trend, Cupid has some advice to help you find the perfect pair of fall boots!

While you may be sad that summer is coming to an end, fall fashion is arguably one of the trendiest seasonal looks. The key piece to every fall outfit is the perfect pair of boots. This fashion trend has proved that it is here to stay. It can be overwhelming to navigate the boot world given that there are a countless number of styles. Here are our fashion advice on how to figure out which boot style you should go for next:

1. Combat boots: Channel your inner bad witch while rocking classic combat boots. This '90s fashion trend has made a reemergence within the past few years. The boots' edgy style fit the chilly and spooky vibes of early to mid-fall as we get closer to Halloween.

2. Square-toed boots: Pointed-toed boots are out and square-toed boots are in! Though square-toed boots may look weird to you, especially if you're used to round-toed or pointed-toed boots, try a classic black pair to ease your way into the new trend. Before you know it you'll be wearing square-toed boots with confidence.

3. Animal print: Speaking of confidence, nothing shows your confidence more than animal print! If you're ready to step your boot game up then you need to add a pair of animal print boots to your collection. You can experiment with tamer patterns such as snakeskin or if you want a wilder pattern then try cheetah or cow print.

4. Slouchy boots: These boots are on the more classic side of the boot spectrum. Pair slouchy boots with a short dress or an over-sized sweatshirt to get the ultimate [Ariana Grande](#)-inspired fall outfit. Complete your celebrity fashion look with a pumpkin spiced latte and “thank u, next” on repeat.
