Is Vegas a good vacation spot for kids?

Cupid's Advice:

Vacationing in Las Vegas, especially with your significant other, can be fun. But if you're planning a family vacation there and are unsure if it'll be an ideal place to take your

children, consider the following tips:

1. Destination: Most importantly, it depends on exactly where you're going in Vegas. If you'll spend most of your time in casinos and nightclubs, you're better off leaving your children at home.

2. Research: There are plenty of activities for kids in Vegas. Pools and rides are just two options. This way your children also have something to get excited about.

3. Age: If your children are infants, it might not be the best time to take them to Las Vegas, especially considering how crazy it can get there. Find a babysitter or wait a few years to explore all that Sin City has to offer.
