## **Cupid's Advice:**

Vacationing in Las Vegas, especially with your significant other, can be fun. But if you're planning a family vacation there and are unsure if it'll be an ideal place to take your

children, consider the following tips:

**1. Destination:** Most importantly, it depends on exactly where you're going in Vegas. If you'll spend most of your time in casinos and nightclubs, you're better off leaving your children at home.

**2. Research:** There are plenty of activities for kids in Vegas. Pools and rides are just two options. This way your children also have something to get excited about.

**3. Age:** If your children are infants, it might not be the best time to take them to Las Vegas, especially considering how crazy it can get there. Find a babysitter or wait a few years to explore all that Sin City has to offer.
