In our latest [celebrity news](#), Jenni 'JWoww' Farley and Zack Carpinello are back together! After the [celebrity couple](#) split only two weeks ago, it seems like the two have mended their relationship. According to *UsMagazine.com*, the reality star and wrestler were seen together twice after they announced their break-up. This is when they spent time at Universal Studios in Florida on October 18th, and when Carpinello hung out with Farley's children on October 12th.

In celebrity couple news, this split didn't last! What are some ways to decide whether to get back together with an ex?

Cupid's Advice:

Getting back together with an ex can be a difficult decision. Let's be honest, it's much easier to patch things up with an ex instead of finding someone new because it means we must get to *know* someone new which, usually, isn't something we want to do. As you've probably broken up for legit reasons, it usually doesn't stop lingering feelings from keeping the flame alive. But, it's important to know when these feelings aren't

just the normal process of missing a past relationship. If you're unsure of whether to give your ex another chance, don't worry. Cupid has some [relationship advice](#) that can help you decide:

1. Listen to your gut: The first thing you must do when reconsidering an old flame is to listen to what your gut is telling you. A past relationship could've ended because you chose to ignore major red flags or never followed what your gut felt. If you're choosing to give this person a second chance, make sure you're willing and able to trust your instincts if things start to slide back into the same territory.

2. Address what ended the relationship: Sometimes, partners like to jump back together without discussing what made them split in the first place. But, those issues seem to always creep back into a relationship if they're not dealt with properly. It's important for a couple to build on their new relationship by learning from the problems that occurred in the past that led to their break-up. It'll help you both to understand each other's perspective on the situation, and it will stop similar issues from arising in the future.

3. Time has passed: Time heals all wounds, right? Or, so they say. It's possible that your relationship ended because both of you just needed some time apart from one another. Sometimes, one needs to go soul-searching. Sometimes, both of you just need to learn to live life without one another to see if the relationship is right. It's often that when time passes, you have matured and grown as people. So, when you do find your way back together, it's like your relationship has

recharged, and you've realized that you'd rather be with no one else.
