

# Movie Review: Seberg

By [Hope Ankney](#)

*Seberg* is a film that will have everyone sitting on the edge of their seats. Following the story of Jean Seberg (as played by [Kristen Stewart](#)), the [movie](#) takes place in the late 1960s, as the American actress grows bored of acting and takes interest in activism and politics of the era. While on a flight, Seberg locks eyes with a handsome stranger, Hakim Jamal, who turns out to be an outgoing, yet controversial, leader of The Black Panthers Movement. Wanting to “make a difference,” she finds herself swept up in a romance with Jamal while she dives further and further into the movement of the Panthers. It isn’t long, though, until a young FBI agent named Jack Solomon falls for Seberg, making everything a little bit more difficult.
