Cupid's Advice:

Showing your partner that you love being with them isn't always easy for some. PDA and verbally expressing "I love you!" can be difficult! But, if you're struggling with showing your partner how much you care about them, don't worry! Cupid has some [love advice](#) to make sure your partner knows exactly how proud you are to be with them:

1. "You make me a better person:" If you're not big on PDA or telling someone how you feel, directly, saying that they make you a better person can be a powerful comment to make. We don't meet many people in life that inspire us to be better than we are, so when we do, it is important. Telling someone this will not only make them swoon, but they won't have to worry about where you guys stand with one another.
